## Be Aware

There are inherent risks in all recreation activities in the alpine environment. Common sense, personal awareness and staying in control can reduce these risks. Be prepared for rapid changes in weather, surface conditions and visibility as well as hazards such as rocks, trees and creeks. Show courtesy to others and follow all marked signs and directions from Ski Patrol and resort staff.

## Resort Area Map

You will see these location  
markers at all trail intersections.  
They are marked on this map.  
Quote the number to confirm  
your location in an emergency.

Mt Stirling resort is a true alpine adventure  
playground. For your safety, it's important to  
share your trip plan and intended return.  
Complete a Trip Intention Form at Telephone  
Box Junction before you set out.

Camping is allowed throughout the resort area.  
Camp in areas clear of trees as branches may  
fall at any time. Alpine huts across the resort offer  
refuge and must be shared.

### Snow Report

Mt Stirling Patrol checks conditions and updates the Snow Report daily during the snow season. Use this QR code to access the current report.

### Acknowledgement of Country

We pay respects to the Taungurung people, the original custodians of this land and acknowledge their unique ability to care for Country and deep spiritual connection to it. We honour Elders past and present whose knowledge and wisdom ensures the continuation of culture and traditional practices.
